TITLE BLABLABLA

All right, but apart from the sanitation, medicine, education, wine, public order, irrigation, roads, the fresh water system and public health, what have the Romans ever done for us?

It's a Mr. Death, dear. He's here about the reaping. I told you to lay off the beans, you whore! I'm Brian, and so's my wife! Nobody expects the Spanish Inquisition!

TITLE BLIBLIBLI

Look at them, bloody Catholics, filling the bloody world up with bloody people they can't afford to bloody feed. Is your wife a goer, eh? Know what I mean? Know what I mean? Nudge, nudge! Know what I mean? Say no more! I don't want to talk to you no more, you empty-headed animal food trough wiper! I fart in your general direction! Your mother was a hamster and your father smelt of elderberries!

TITLE BLEBLEBLE

What is the capital of Assyria? I cut down trees, I skip and jump, I like to press wildflowers. I put own womens' clothing, and hang around in bars. Oh, waiter! This conversation isn't very good.
